

Dear Parents/Guardians,

Report from the Board of Management meeting on May 10th 2022

There are currently 213 pupils enrolled in our school. We are delighted to welcome 8 pupils who have recently relocated from Ukraine. The PTA are hosting a coffee afternoon on Monday June 13th between 1:30 and 2:30 to welcome our new families to our school community.

School Traffic Warden

Following a meeting with members of CCC the Board of Management took the decision to postpone the protest as we were assured that the current procedures for School Traffic Wardens and funding is being reviewed and that funding is actively being pursued by CCC to remediate the pedestrian crossing outside the school. The Board of Management will communicate regularly with CCC to ascertain that progress is being made in this regard.

We understand it may be disconcerting not knowing who your child's class teacher will be for the coming year. We will inform you following an appointments procedure which will take place in July.

We would like to wish Emma Kavanagh the best of luck in her travels next year.

Audrey Murphy will leave our school to take up a Job Share position in Rathpeacon N.S. We wish Audrey all the best in her new school.

We wish Eleanor every happiness and joy in her retirement with John and Max.

Digital Technology

16 new devices to be purchased for September. This will give children more scope when accessing digital technology.

The Board of Management would like to take the opportunity to thank the staff, pupils and parents for their resilience, support and cooperation during what has been a challenging school year. We are looking forwards to the coming academic year where many of the wonderful teaching and learning experiences will be allowed to flourish without restriction.

Regards,

Anne Rogers
